### **Program Ads:**

Still looking for ads (personal & business) for the LAX Program. If you place a personal line of \$10 you get the \$10 program for free. If you sell a ¼ page ad or larger, you get 50% of the cost of the ad in your son's account. Example: You sell as Ad for \$100, then you get a \$50 credit in your son's account to use for registration, clothing, apparel, trips, etc.

### **Youth Coordinator: Doug Cundif**

Because of the large amount of players signed up (as well as wait listed), looking at having 3 teams. The decision will be made by 1/26/08 because of scheduling issues.

Practice times/locations/game schedule/etc. will be out ASAP.
