Program Ads: Bond

Ads are all in with payment. Waiting on the team photos in order to finish the program.

Field Report: John Bowers

Fields are ready to go (lined, etc.) for the upcoming games. We need to purchase 2 "Game Goals" (old ones will be used down at the swamp).

Old Business:

All lacrosse supplies will be stored in the concession stand for easy retrieval by all age groups.

Field house is only to be used by the football teams. A letter verifying this arrangement will be sent to our organization shortly from the school superintendent.

Banquet will be held May 20th at the Marriot. Everything is organized and committees are set with people in place. Barry said, "Debbie and Diane are awesome!!".

Player photos need to be sent to Mike McGoogan for the website as well as Theresa Chevallier for the end of season presentation.

New Business:

JV/Varsity will be able to use locker rooms this year (as well as visiting teams).

In July there will be a meeting concerning Lacrosse going WIPAL in the future. The Athletic Director and lacrosse board members will be at that meeting to discuss all of the ramifications of this process.
