## Questions

1. I have boys in multiple grade levels which night should I come to register? Either night is fine! Just pick one.
2. I have a son in Grade 4 but I cannot make it on Tuesday; can I come on Wednesday? Absolutely!! And if your son is in MS or HS you can come on Tuesday.
3. Then why do you have two nights? Sometimes the registration lines get very long and the area gets very crowded so I want to divide the crowd up a bit.
4. Ugh I cannot make either night what are my options? If you cannot make either night please contact me ASAP at [schrebk@gmail.com](mailto:schrebk@gmail.com) and mail your completed paperwork and payment to (Barbara Schreibeis, 307 Locust Lane, Cranberry Twp PA 16066) prior to Wednesday, October 26. Make all checks payable to SVLA.
5. Why is registration so early for a spring sport? Registration for boys LAX is always the last week in October so that schedules can be formed and coaches can be hired Every year SVLA has seen an increase in the number of players and we need to hire the most appropriate coaching staff possible.
6. My question was not one of the ones listed above. What can I do? Please email Barbara Schreibeis at [schrebk@gmail.com](mailto:schrebk@gmail.com) and your question will be answered as promptly as possible.
