

Seneca Valley Lacrosse Association

Late Registration and Refund Policy

It is the policy of the Seneca Valley Lacrosse Association to provide reasonable refunds to families for withdrawing their son from the Association. All refunds are for registration fees only and do not include any refund for mandatory fundraising activities. It is also necessary to consider an administrative fee to cover costs incurred during the registration and preseason time period that can not be recovered by the Association.

Registration Fee Refunds:

- From Registration Date to November 30 same calendar year
 - Refund entire registration fee less \$35.00 Administrative fee
- From December 1 to January 31
 - Refund entire registration fee less \$100.00 Administrative fee
- After February 1
 - No refund of registration fee

Late Registration Policy:

It is the policy of the Seneca Valley Lacrosse Association to provide an opportunity for families to register their son to participate in the Association after the established registration time period has expired.

A late registration surcharge of \$105.00 will be assessed to each individual participant who registers after December 1. These individuals will be required to pay the entire registration fee plus the surcharge at time of registering.

The mandatory fundraising fee is waived at this point but individuals are encouraged to participate if tickets are still available.
